

## CT BHP - One of CT's Top Workplaces

ValueOptions® Connecticut Behavioral Health Partnership (CT BHP) has been selected as one Connecticut's top workplaces. The *Hartford Courant* and Fox News / CT solicited nominations to recognize the best workplaces in the state. There were three categories - large, medium and small businesses. Workplace Dynamics LLC, a research firm in Pennsylvania, conducted a rigorous survey of CT employees and ultimately, named CT BHP one of Connecticut's top workplaces.

But the news got even better for CT BHP at the award ceremony on Thursday, September 22, in Plantsville, CT. That's when it was announced that CT BHP was one of the highest ranked in the medium-sized business category - number 2 of 15! In addition, ValueOptions' was featured in a special section, honoring Connecticut's top workplaces, published the following Sunday in the *Courant*.

Lori Szczygiel, CEO (see article below) for the Connecticut Behavioral Health Partnership, congratulated her staff for creating such a great workplace:

"The way our staff demonstrates ValueOptions' values - through passion, dedication and caring - is what makes our team so special, and the Connecticut Behavioral Health Partnership such a great place to work," Lori said. "Many thanks to our staff, who each day, support our mission to help people live their lives to the fullest."

## CT BHP CEO Takes Leadership Award in CT's Best Workplace Ceremony

Lori Szczygiel, Chief Executive Officer of Connecticut Behavioral Health Partnership (CT BHP), was honored with the Leadership Award for a medium-sized business by the *Hartford Courant* and Fox News / CT. As part of the survey of nominees for top workplaces honors, Workplace Dynamics LLC, a research firm in Pennsylvania, asked employees to answer a question: "How much confidence do you have in your organization's CEO?"

CT BHP employees gave Lori a resounding vote of confidence, which resulted in her honor. In recognition of her achievement, Lori was featured in the *Hartford Courant's* top workplaces special section, which published the following Sunday. She also was profiled on Fox News / CT the next morning.

"I love my job," said Lori, who celebrated 15 years with ValueOptions® in September. "It's an honor to come to work each day with the team that we have, and the worthy mission to focus us. I'm truly blessed."
