

interChange Provider Important Message

Attention: BHH/TCM/Waiver Billing and BHH/TCM/Waiver and Mental Health Waiver Performing Providers

Effective **April 18, 2017**, DXC Technology began **auto enrolling via the daily ongoing auto subscription process all new e-mail addresses received** for enrolled BHH/TCM/Waiver billing providers and BHH/TCM/Waiver and Mental Health Waiver performing providers in the Connecticut Medical Assistance Program (CMAP).

Providers included in the auto subscription enrollment process under the **BHH/TCM/Waiver** are those enrolled as Money Follows the Person (MFP) and Department of Developmental Services (DDS) Comprehensive Waiver and Individual and Family Support (IFS) Waiver billing providers and their associated performing providers. Also included are Targeted Case Management (TCM)/Chronic Mental Illness (CMI) Private Fee for Service billing providers and Department of Mental Health and Addiction Services (DMHAS) Targeted Case Management (TCM) and Behavioral Health Home (BHH) billing providers and their associated performing providers.

If you are a currently enrolled BHH/TCM/Waiver billing or performing provider or a Mental Health Waiver performing provider, any email addresses you previously supplied on your enrollment or re-enrollment application have been systematically subscribed to receive e-messaging correspondence.

E-messaging correspondence includes Important Messages, Bulletins, Policy Transmittals or other information regarding (CMAP) program updates, changes or other important information impacting enrolled providers.

You may update your e-messaging subscription at any time on the www.ctdssmap.com Web site by selecting the Register/Update Email Subscription quick link on the Home page.
