

# iCAN CONFERENCE

Dear Supporter,

Many Connecticut families cycle in and out of the mental health and addiction systems while trying to access the proper services and programs to gain behavioral health wellness and self-sufficiency. Connecticut is full of behavioral health and recovery programs and services. The challenge is that our state's systems and providers are either unaware of the programs and services available or they are unable to effectively share the information with each other.

The Consumer and Family Advisory Committee and the CT Behavioral Health Partnership (CT BHP) and Beacon Health Options are proud to host the third annual iCAN Conference on Thursday, September 28th at The Artists Collective, 1200 Albany Ave, Hartford, CT from 8:00am to 2:30pm.

The goal of this year's conference is to showcase the keys to success and the power of partnerships among Connecticut HUSKY Health consumers, families, agencies, and providers. By supporting true partnerships, we ensure that our Connecticut communities are offered education about behavioral health programs, services and resources available throughout the state and through the CT BHP as we help people live their lives to the fullest potential!

We are seeking the help and support of businesses such as yours to help make this conference a success.

We would like you to consider sponsoring our program. Information regarding all the ways in which you can sponsor and support our conference has been included.

If you have any questions, please feel free to contact us at [CTBHP@beaconhealthoptions.com](mailto:CTBHP@beaconhealthoptions.com).

Thank you!
